CLAN-O-LOG 1935

OUR DRUM MAJOR IN FULL REGALIA

PUBLISHED BY THE ASSOCIATED STUDENTS OF PIEDMONT HIGH SCHOOL PIEDMONT CALIFORNIA

# **FOREWORD**

School SPIRIT, so characteristic of the Piedmont High School Student Bodies, has been chosen as the theme for the 1935 Clan-O-Log. For the past fifteen years, the students of this institution have had but one common thought—the betterment of Piedmont High School. Because of the real Highland Spirit, our athletic teams have led the bay region, often defeating schools two and three times as large as Piedmont. Our high scholastic rating with all the leading universities of the country may also be attributed to our ideals of achievement. In addition, the many activities of our school have given the students experience in leadership and cooperation.

With these thoughts in mind, the members of the Clan-O-Log Staff have chosen as our theme this year School Spirit, and have interwoven into the art work scenes of school life and Scotch symbols. Thus, we present to you, in this volume of the yearly publication, a portrayal of the outstanding activities of the year, the successful accomplishment of which can be attributed to the ideal set forth in our school motto: "Achieve the Honorable."

# AN APPRECIATION

FOURTEEN YEARS AGO there came to Piedmont a sincere friend and a constructive leader of Piedmont High School. During these years it has been his penetrating vision of the future that has made this school the outstanding educational institution we know today. A real inspiration from his assembly talks has given to the students a feeling of encouragement and ambition. His sense of justice, the integrity of his aims, his sterling character, and his lofty example of manhood have so impressed the student body that we, the Staff of the Clan-O-Log, on behalf of the students of Piedmont High School, extend our deepest appreciation to our friend and leader—Mr. H. W. Jones, Superintendent of the Piedmont Public Schools.

Clan-O-Log Staff Jack Fowler, Editor

# THE SCHOOL YEAR 1934-35

THIS YEARBOOK is a chronicle of the student body activities of Piedmont High School for a year which has been marked with brilliant achievements and many triumphs. The Highland Clan has a real cause for pride in the achievements of our school and its programs of art, music, dramatics, athletics, publications, self-government, and general activities. These successes have been accomplished by a notable advancement in school spirit, democracy, and citizenship responsibilities. These student body achievements have been sharply reflected in the noticeable advancement in scholarship during the year. In every phase of school life, the year just closed has been one of progress and success.

Important as these victories may seem from the student body standpoint, the greater gains that have come to our school are the growth and development realized by the students who have been the participants in these activities. To acquire the habits of success in high school days in both your individual and community undertakings, together with the development of high standards of social and moral conduct, is the best and surest way to build the real foundation for your future ambitions.

As creditable as the year just closed has been, let us not be content to rest upon the laurels we have gained. As you peruse the chronicle of triumphs in this Clan-O-Log, let them be an inspiration to you to make the next year even greater and better, not only for our high school but for the development of those things in life which are most worth while.

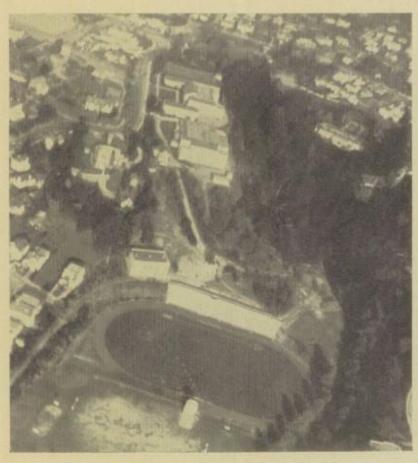

I have come to have unlimited faith in the Piedmont High School boys and girls. In that faith I am confident that the year 1935-36 will see even greater triumphs added to the exceptionally fine record chronicled in this book.

DIED 1934

Member of Piedmont Board of Education, 1917-1934

# IN APPRECIATION

THE DEATH OF DR. HARRY D. BELL marked the passing of one of Piedmont High School's greatest friends. Having served on the Piedmont Board of Education continuously from 1917 to 1934, Dr. Bell was instrumental in founding Piedmont High School in 1921 and in guiding its development to the present time.

Dr. Bell's untiring efforts were motivated solely by a love for and a desire to serve the youth of Piedmont. His high personal and educational ideals led him to strive to provide for all Piedmont boys and girls that type of educational opportunity and training which every devoted parent

desires for his own son or daughter.

The highest measure of life's success is the degree of service one has given to human kind. Truly, it may be said of Dr. Bell that the lives of generation after generation of Piedmont youth have been enriched and enobled by his influence in providing for them the highest type of opportunity for intellectual and moral growth.

HEN THE MEMBERS of the class of June, 1935, receive their diplomas in the Piedmont High School Auditorium on June 13, it will be the climax of a long and glamorous reign by that ancient body, which has lived to the ripe old age of six years. Its members will soon scatter to the four winds, some going to work, but most of them entering college in the fall.

The class of '35 first saw the light of day in Piedmont Junior High School as seventh graders. Its first contribution to the school was the organizing of the Block J, which acts as does the older Block P. It was about this time that Piedmont was beginning to consider seriously its art program, and of course the members of the class joined in enthusiastically to support this new activity in any way that they could.

Bob Haynes has been elected president at four different times, other class presidents being Jim Makinson, George Wagner, John Forsman, Bob Wells, Lew Staehle, John Erichson, Dick Bale, and Steve Townsend.

Members of the class have always been making themselves outstanding in some field, such as being active in clubs, winning trophies, and earning admittance to the honor societies. The girls have been very active in Hoan Club affairs and have helped to make their club room a place of comfort and pleasure. Many of the class of '35 have been active on the Highlander, as well as on the Highland Piper. And finally, the staff of the Clan-O-Log, the seniors' own book, has been made up almost entirely of this class.

In the field of athletics, the senior class speaks for itself. Two A. C. A. L. football and two A. C. A. L. basketball championships have been won in the last two years. Need more be said!

Outstanding in all school affairs, these students will be greatly missed by the lower classmen, but their great influence and their contributions to Piedmont High School are beyond measure. May the class of 1935 long be remembered!

### BOARD OF CONTROL

The Board of Control of Piedmont High School has again guided us through a successful school year of such events as the Celebrity Series, the Student Body Card Sale, and the Athletic programs. Under the splendid leadership of Presidents Bob Wells in the fall term, and Sharp Whitmore in the spring term, the Board encouraged all activities and gained the wholehearted support of the student body.

A novel event featured during the spring term was a High School Open House at which time the entire school was open to parents and guests of the students, all phases of school life and work being exhibited. Since the Open House was so enthusiastically supported and equally well attended, students in the future look forward to repeating the event.

The Board of Control has aimed to uphold the high ideals of Piedmont High School and in doing so has appreciated to the fullest the splendid cooperation of the students.

To cover completely all school activities and present them in a manner that is both entertaining and interesting is the ideal of the Piedmont Highlander, the prize-winning weekly newspaper of Piedmont High School.

Organized fourteen years ago, the newspaper has grown until it occupies a place as one of the major activities in the school and has better than six thousand weekly readers. About sixty beginning students enroll in the journalism course each year, while the actual staff comprises from twenty-five to thirty members. Reporters secure the news each week from the various school and community beats, and the staff heads edit this material and prepare it for printing. They also correct the proofs and place the articles in their proper positions in the paper.

The Highlander is justly proud of the honors that it has won; this year the paper was awarded a gold medal position from Columbia University in the annual contest. An International honor award from the National Scholastic Press Association has also been bestowed upon the Clan Weekly.

# BAND

From the proceeds of a benefit concert held last year and from other funds, uniforms were purchased for the entire Piedmont High School band. Mr. Joseph Weiss and members of the organization worked hard to accomplish this end, and the resplendent purple and white uniforms are a source of pride to the entire student body.

Under the direction of Harry McAfee, the Piedmont High School seventeen-piece dance orchestra has had an unusually successful semester, having played at the rallies and at noon dances in the gymnasium.

The development of soloists in any orchestra is an outstanding feature. Since many of its members are excellent soloists, the musical organizations of Piedmont give finished performances. Jewell Palmer, Helen Davis, June Adele Hampton, Howard Brown, Vincent Jeffrey, and Walter Ellis have all done exceptionally fine work during the last semester as soloists.

## KILTIE BAND

Our Kiltie Band always gives each and every Piedmont High School student a thrill of pride as it swings out to spur the athletic teams on to victory.

The following are the members of the Kiltie Band: Pipers—David Countryman, Donald Jackson, Elliot Johnson, Glenn 'Brick' Johnson, Dick Milligan, Robert Noyes, Bill Ryerson, Bob Thompson, John Van Altena, Milton Wallace, Melville Wood; Drummers—Ernest Atkinson, Oliver Meek, Paul Slattery, Jim Wainwright, Barrett Wells, and Addison Wood.

The orchestra, the largest that Piedmont High School has ever had, has been unusually active in school affairs. The following performances have been marked as particularly fine pieces of work: Dads' Club and P. T. The chorus groups have been organized in the Junior High School under the directorship of Miss Dorothy McCargar. The groups include both boys and girls in the seventh and eighth grades, one of their chief aims being to prepare music for the Baccalaureate Service.

# REVIEW OF THE SEASON

Coaches Glen "Brick" Johnson, Sam Moyer, John Gifford, and Sanford Siegrist may well feel proud of their 1934 football team. Starting under the great handicap of having few 1933 first string players returning, the coaches set about to fill these vacant positions. They succeeded in having a highly profitable season of straight victories. The final 1934 first team consisted of Staehle and Jones at ends, Booth and Robinson at tackles, T. Ray and Markwart at guards, and Long at center. The backfield men were Ede at fullback, Denk at quarter, and Porter and Erichson at halfs. For the first time in the history of Piedmont football, the team went through an undefeated season, having scored 195 points to the opponents 28. The best game of the season was the Stockton tilt, as far as fight and thrills go. By capturing the Alameda County Athletic League, the Highlanders became the champions of Northern California and the Northern Valleys. The defeat of Stockton by Piedmont won her the latter title. The dream of the Piedmont coaches finally came true: an undefeated team.

# PIEDMONT-OAKLAND

Opening their 1934 season with a smashing victory, the purple-clad Highlanders defeated the Oakland Wildcats by a 21 to 0 score. Starting with a rush in the first quarter, Piedmont advanced to the Oakland thirteen-yard line, but a penalty ended her chance for a score. After Oakland punted the ball out, Piedmont, with Ede and Erichson doing most of the ball carrying, marched to the Wildcat's twenty-yard line. The threat ended here. Soon after the second period had begun, Francisco returned an Oakland punt forty-five yards to the one yard-line. Ede carried the ball over from there. Before many minutes had passed in the second half, Piedmont again scored as the results of consistent gains by Ede and Erichson, the latter scoring. Early in the fourth period the passing combination, Ede to Erichson, began to work, the result being a touchdown.

# PIEDMONT-LOWELL

A fighting Piedmont team whipped a strong Lowell team to the score of 20 to 6. The first Clan score came in the opening quarter after a thirty-one yard march of reverses by Jim Porter and Lloyd Francisco. John Erichson carried the ball over from the four-yard line. A kicking duel between Porter of Piedmont and Dowd of Lowell was outstanding in the first period. Starting deep in their territory, the Cards advanced to the Piedmont fifteen-yard line. Roy Jones broke up the threat of a score by throwing the ball-carrier for a loss. After two incomplete passes by Lowell, the Clan took possession of the ball on their thirty-five-yard line. Lew Staehle scored the second touchdown by catching in mid-air a fumble and running thirty-five yards. Piedmont's final score came from the recovery of a blocked kick, with Erichson carrying the ball over the goal.

# PIEDMONT-PITTSBURG

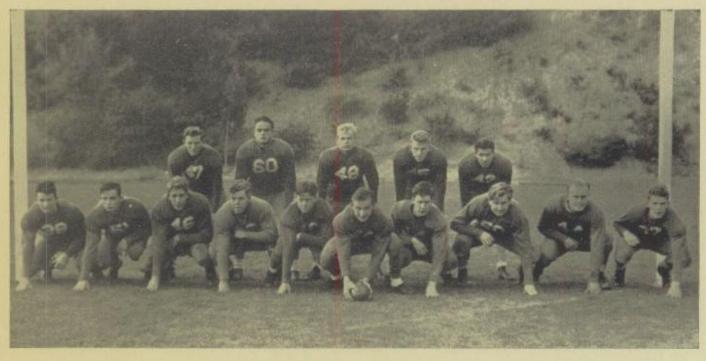

The Pittsburg Panthers invaded the Highland City only to be defeated by the score of 32 to 0. The Clan parade of touchdowns began in the opening period when Herb Denk carried the ball over from the forty-four-yard line. With Jim Porter and Lloyd Francisco doing the ball-carrying, the Highlanders advanced to the Pittsburg six-yard line. Denk received the kick-off and returned the ball sixty yards to the Panthers' twenty-four-yard line. Piedmont lost the ball on a fumble but recovered on the opponent's forty-two-yard line a few plays later.

## PIEDMONT-CONCORD

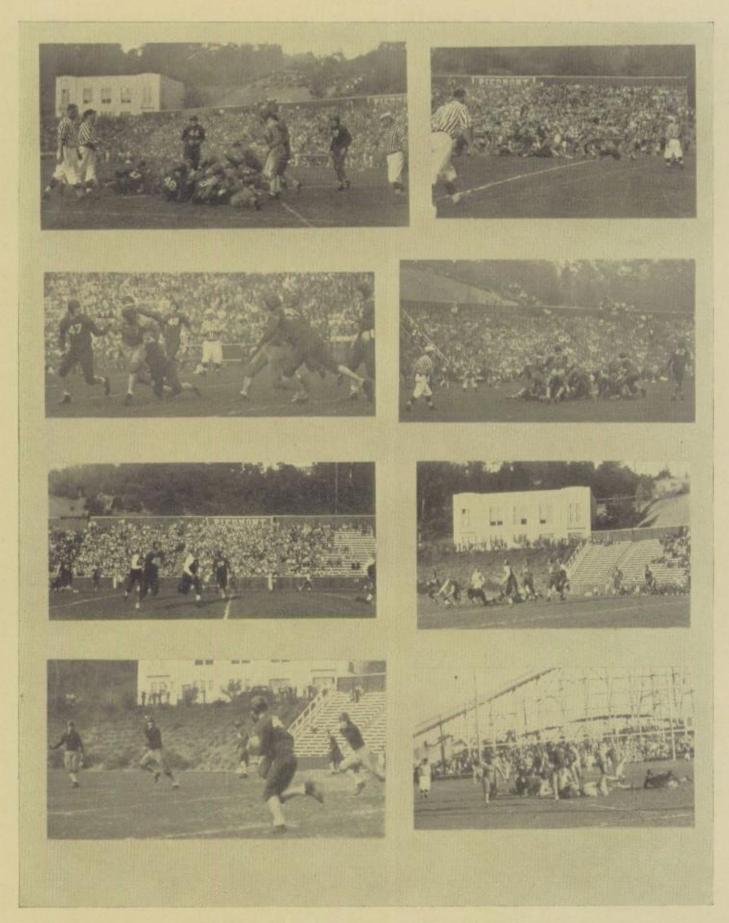

Displaying a brilliant array of power drives and reverses, the Clan team scored a decisive 33 to 13 victory over the Concord men. The first score for Piedmont came after six minutes of play. From the Concord five-yard line, Jim Porter went off tackle to make a touchdown. A few minutes later Porter repeated his preceding performance. After a tame showing in the second quarter, the Highlanders came back to score three times in the last period. Touchdowns, registered by Norman Werner, Marshall Ede, and Lloyd Francisco, were made on line plunges and end-runs.

#### PIEDMONT-RICHMOND

Entering their fifth game of the season with a confident attitude, Piedmont won from Richmond 12 to 0, but came close to losing. A strong Richmond line repeatedly broke through to spoil the Clan reverses. The first Clan score came in the opening quarter two plays after Herb Denk had intercepted a pass. Lloyd Francisco broke into the clear and ran fifty-six yards to a touchdown. Piedmont later lost the ball on downs after advancing to the Richmond twenty-six-yard line. The Highlanders were again in scoring range when the half ended. In the third quarter, Marshall Ede broke through the center of the line to score on a brilliant fifty-yard run.

## PIEDMONT-STOCKTON

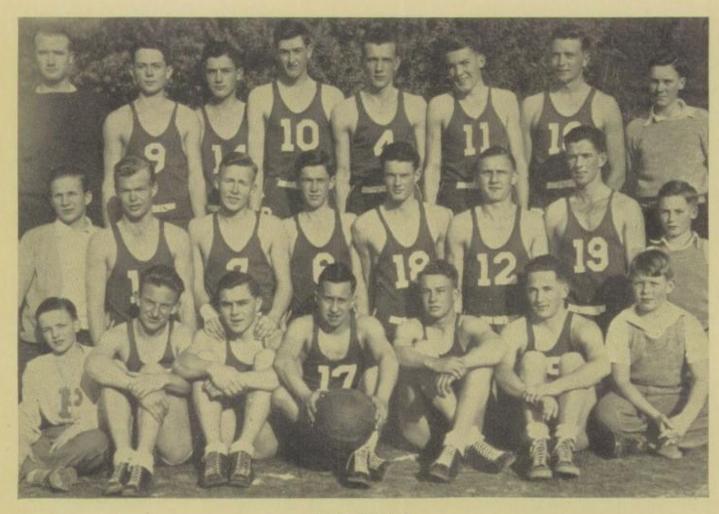

Determined to take a firm hold on the Northern California Championship, Piedmont went out on the field with a fighting spirit. In a thrill-packed game they won 6-0. The first quarter was fairly even, Porter's kicking being outstanding. In the second period, Denk received a pass and made a spectacular run to the goal, only to have the officials rule that he stepped outside on the twenty-five-yard line. That was the closest the Clan came to scoring in the half. With Ede, Porter, and Denk doing the offensive work, the ball was in Stockton's territory most of the time.

## PIEDMONT-ALAMEDA

Resolving to go undefeated during the season, Piedmont started the A. C. A. L. by defeating Alameda 43 to 2. Only twice did the Mudhens display any power: once when they marched to the Clan's twenty-eight-yard line from their own thirty-two; and again when they scored a safety because of a bad pass from center. The rest of the game was strictly Piedmont's. The first score for the Highlanders resulted from a fumble on Alameda's part. Recovering the ball on Alameda's twenty-six-yard line, Ede and Erichson advanced the ball to the four-yard line. Porter carried the ball over from there. The second Clan score was made by Porter on a sixteen-yard run. A tew minutes later, Porter again scored from the nine-yard line.

## PIEDMONT-BERKELEY

Playing without the services of Marshall Ede, star fullback, a fighting, determined Piedmont team completed its first undefeated football season by drubbing the Berkeley High Yellowjackets 28 to 7. Berkeley kicked off to Lew Staehle, and before many minutes had passed, the Clan was on the Yellowjackets' ten-yard line where they lost the ball on downs. In attempting to punt the ball out, Pitner, Berkeley half, had his kick blocked by Harold Booth. Roy Jones recovered the ball on the one-yard line where John Erichson carried it over for the initial score. Later in the same period an attempted quick kick by Berkeley was again blocked by Booth and again recovered by Jones, who picked up the free ball and ran to a second touchdown. Herb Denk intercepted a Jacket pass on their thirty-seven-yard line, and Erichson carried the ball to the nineteenyard line on the next play. On a reverse, Jim Porter advanced the ball to the twelve-yard line. In four successive line plunges, Bob Wells scored. Early in the second half, Berkeley scored on a nineteen-yard pass, following the recovery of a fumble.

# REVIEW OF THE PRACTICE SEASON

Starting out with a new coach and a new system, the Piedmont High School basketball team fought an uphill battle throughout the practice season. Although several of the first games resulted in discouraging defeats, both Coach Peterson and the members of the squad continued to work diligently, closing the practice season with a series of victories. One of the highlights of this season was a 37 to 20 victory over the University of California Freshmen. Such victories as the one just mentioned easily made up for some of the earlier season defeats by schools like Lowell and Oakland. With so much improvement shown, the Clan team was given an even chance to win the Alameda County Athletic League title for the second consecutive year.

THE B SQUAD

# FIRST BERKELEY GAME

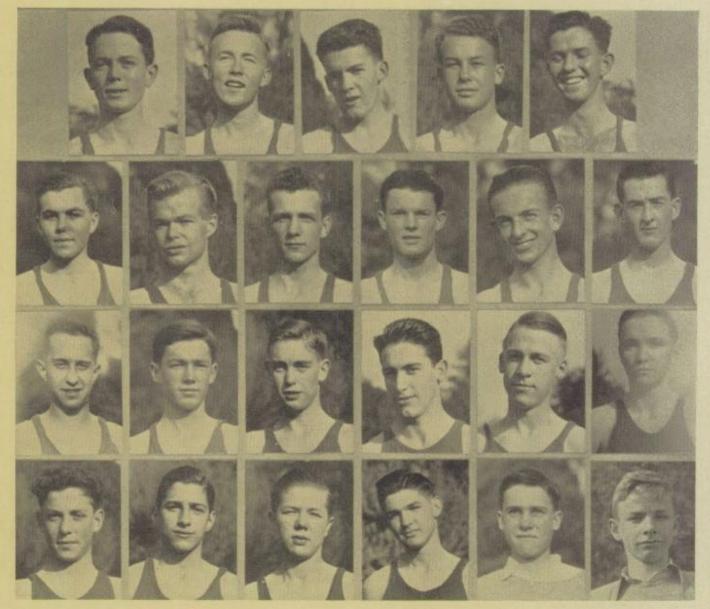

Beginning the competition for the A. C. A. L. title with their archrivals, Berkeley, the Piedmont High School basketball team showed true championship form by turning the game into a victory with the close score of 33 to 29. Within a short time after the beginning of the game, the Highlanders had built up a substantial lead that they were able to keep till the end of the game. Only because of the early lead were the Highlanders able to withstand the final rally of the Yellowjackets.

### FIRST ALAMEDA GAME

Alameda High School, unfortunately the door-mat for every other team, was completely baffled by the Piedmont basketball team. Outside of the opening few minutes, when the Mudhens put up a stubborn defense, the Highlanders had no trouble in controlling the score of the game. The fast-breaking system of the Highlanders seemed to work to perfection in this game, because the squad and Mr. Peterson have done their utmost to develop a championship team to uphold the honor of Piedmont High School upon the court.

### FIRST RICHMOND GAME

Maintaining their scoring stride of the Alameda game, the Highlanders defeated Richmond in a decisive manner by the score of 41 to 27. The outcome of the game from the start of the game till the final whistle was never in doubt, although the Oilers at all times forced the Highland team to put on a fast game in order to maintain their decisive lead. For the second time Fred Van Horn did good work in leading the squad.

# SECOND BERKELEY GAME

In order to make up for the fact that Berkeley was not able to meet teams on a court of its own, Piedmont met the College City boys on the Alameda court. During the first half, the Highlanders seemed rather bewildered, being unable to hit the basket with any accuracy at all. As a result of the poor start, the Berkeley team lead the Clansmen by the score of 14 to 12 at the end of the half. When play was once more resumed in the second period, it appeared as if there was an entirely different Piedmont team on the floor, for the Clansmen seemed to be able to strike the basket from any point with regularity. Not one man could be pointed out as the star, for every man put forth his best, and not one weak spot could be found in the Highland team. When the final gun sounded, the Clan hoopmen had built up a score of 39 to 18 over their Yellowjacket rivals.

# SECOND ALAMEDA GAME

For a time it appeared as if a great upset might take place in the A. C. A. L. in this second game with the Mudhens from Alameda. The game started very slowly for both teams with Coach Basil Peterson starting an entire second string line-up. Against this line-up the Alameda team managed to hold even. When the first quarter had come to an end, the score stood five to four against the Highland quintet. Although the first string was inserted into the game for the Highlanders near the close of the first half, they could not get started, and at the half the score was at fourteen to thirteen in favor of the Clan. With a final quarter rally, the Clan hoopmen managed to build a substantial lead.

# SECOND RICHMOND GAME

In the last game of the victorious season with Richmond, with the A. C. A. L. title definitely in their possession, the Highlanders found it more difficult to overcome over-confidence than they did the Oilers. Although the Clan hoopsters seemed to be able to score almost at will, they lacked the fight to go ahead to build up a substantial lead. For this reason, the score was always close enough to provide thrills for the spectators.

# B SEASON

Repeating their record for the second consecutive year, the Piedmont High School lightweight basketball team upheld the honor of their school by winning the A. C. A. L. championship. In order to accomplish this marvelous feat, it took many hours of patient practice on the part of the members of the team as well as the untiring efforts of Coach John D. Berger. The least Piedmont High School can do, is to extend gratitude to these diligent workers. As Coach Berger found it difficult to select the best group at the beginning of the season because of the new members who had just joined the squad, the lightweights lost several of the first practice games. However, perserverance and patience on the part of everyone led the team to a glorious finish.

## PIEDMONT 58—UNIVERSITY 41

Showing great promise, the Piedmont track team defeated University High School in the first meet of the season. The contest was very close throughout, with the relay deciding the final outcome. Warren Craig barely nosed out Dave Altman in the 880-yard run to win in good time. Dick Bale took an easy first in the high hurdles and tied the school record of 16.6 in this event. Dick Foster, Bob Shields, and Bud Peterson took all three places in the high jump. With the result depending upon the relay, McFarland, Radtke, Atkinson, and Todd won by ten yards.

# PIEDMONT 70 1-2-TECHNICAL 33 1-2

The all-round power of the Clan gave them the second victory of the year over Technical High School. Dick Bale won both the hurdle events, and Farrell, Gaither, and Hands took all three places in Piedmont's supposedly weak event, the mile run. Another complete victory was registered by the Clan high jumpers with Foster winning this event. Craig and Wilkie tied for first in the pole vault, and Bale, D. Barbour, and Booth swept the low hurdle race. The relay team won easily from the Tech runners.

# PIEDMONT 69—CASTLEMONT 35

A greatly improved Piedmont team defeated Castlemont High School on the Hill City oval by a large score. Outstanding among the tracksters were Shurtleff, Wes Craig, and McFarland. Shurtleff cleared II' 10 I-2" in the pole vault to win that event, and McFarland won the 220, and took a second in the 100-yard dash. Craig's time of 2:7 in the 880-yard run was the fastest time for that event run on the Piedmont track in two years. Bale won both of the hurdle races, and the Clan vaulters took all three places in their event.

## MARTINEZ RELAYS

The second annual Martinez Relays were held on the rain-soaked track of Alhambra High School. Piedmont, with only eleven men, placed fourth in the class "B" division. The low hurdle team of Wilkie, Newsom, D. Barbour, and Radtke won first honors in their event, while the mile relay team composed of Wilkie, Atkinson, Todd, and McFarland, took a close second in their race. Third place in the two-mile relay was taken by Bob Hogan, Wes Craig, Dave Altman, and Warren Craig.

## PIEDMONT 43—COMMERCE 61

Opposed by one of the strongest teams ever to represent the transbay school, Piedmont's tracksters lost a 61 to 43 contest at Kezar Stadium. Lack of power in the sprints was the chief factor in the Highlanders' defeat, as the Bulldogs registered complete victories in both of these events. Outstanding among the performances were Dick Bale's times in both hurdle races. He broke his own school record in the high hurdles by winning in 16.4 seconds, considerably lowering Jim Brophy's long standing low hurdle school record by running 25.2 in that race.

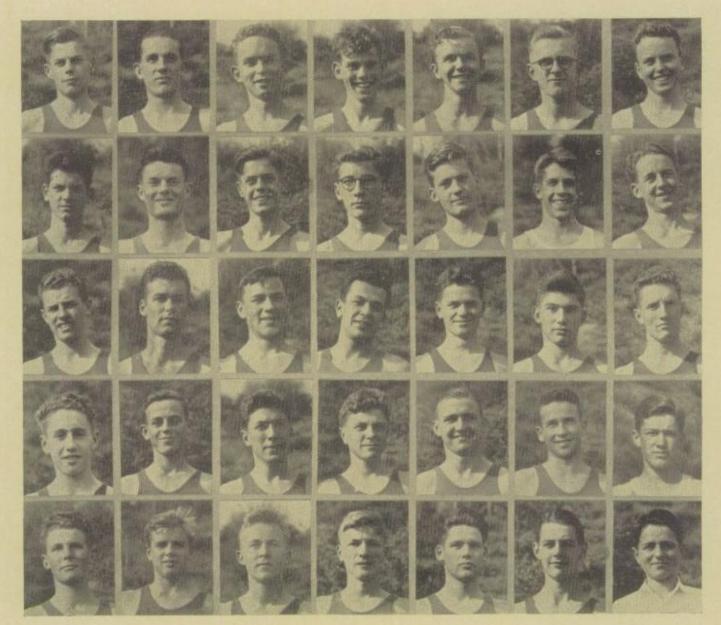

## A. C. A. L.

In a spectacular meet, May 3, which saw four records broken and another equalled, Alameda's powerful team won the A. C. A. L. track title. The final score was Alameda 51, Berkeley 39, Piedmont 21, Richmond 19, and Hayward 0.

The strong Alameda team led all the way through the entire meet, although Berkeley and Richmond threatened them at the beginning. A majority of points in the low hurdles, broad jump, and pole vault were the deciding factors in the Hornet's victory.

Piedmont's performers were led by the blond sophomore, Don McFarland, who placed third in the 100-yard dash and then came back to equal the county record of 22.4 seconds in winning the 220-yard dash. Wes Craig, another sophomore, gave Hafey, the Berkeley star, a great race in the mile run, but the latter's finishing sprint was a little too much for the Scot runner. The relay team took a good second in their event, the race being won by Alameda in the record breaking time of 1:31 seconds.

The 'B" A. C. A. L. was held on the Piedmont oval, April 11. The final scores were Berkeley 45, Piedmont 34 1-2, Alameda 25 1-2, and Hayward 14. Baker and Fred Bennett took second and fourth respectively in the 50-yard dash, while Todd ran a good race to place second in the 300-yard dash. Wes Craig won the half-mile run and Dick Bennett tied for first in the pole vault.

# PIEDMONT 7.1 1-2, RICHMOND 32 2-3

The Piedmont track team took eight first places in defeating the Richmond High team, April 23. First place winners were as follows: Altman in the half; Gaither in the mile; Radtke in both hurdles; Moore in the shot; Shurtleff in the pole vault; Porter in the broad jump; and Rutledge, Steere, Atkinson, and McFarland in the relay.

The Piedmont High School golf team added another victory to those already gained by Clan athletes by winning the A. C. A. L. golf championship. Alameda, Berkeley, Richmond, and Piedmont compose this league, and it is the first time in the four years of the existence of the league that Piedmont has been victorious.

## **TENNIS**

Tennis, though a minor sport, has attracted a large number of boys this year and the courts have been a scene of fierce battles for supremacy. Because of the loss of five veterans, many changes were made, and the team, in order of their playing ability, are Bob Harmon, Takeo Hamamoto, Phil Harmon, Foster Glaspell, Pierpont Wilson, and Don Ellis. Although the first match with University High was lost, the team defeated Polytechnic High, the California Freshmen, Berkeley, Alameda, Richmond, and Hayward, to win the A. C. A. L. championship for the first time since this sport was started in Piedmont.

# PHYSICAL EDUCATION DEPARTMENT

PIEDMONT HIGH SCHOOL has a sterling reputation as the home of unusual activities, and the organization of the girls' P. E. Department is no exception to the rule. Miss Agnes Haroldson, head of the P. E. Department, has successfully built up the English P Society outside of her regular coaching of such important team sports as hockey and basketball. Clogging and natural dancing as well as minor sports have been sponsored under Miss Marian Teller's supervision, with an Honor Dance Group organization supplementing class dance work. Miss Haroldson came to Piedmont several years ago, with a brilliant athletic record at Oregon State, while Miss Teller, a Mills College graduate with exceptionally fine achievements in dance work, has just recently joined the Piedmont faculty. These two very diligent workers have endeavored during the past year to attain an exceptionally difficult goal, namely that of a sport for every girl.

### G. A. A.

With the purpose of "Every girl in a sport," the Girls' Athletic Association sponsors activities throughout the year which follow out this aim. Made up of all girls who have earned the minimum of thirty points through after-school competition in athletics, this organization is advised by Miss Agnes Haroldson and Miss Marian Teller.

The basketball banquet, Dance Festival, and Girls' Jinx Celebration are offered as social activities for the entertainment of all the girls in the school.
